

Neutrinos

Insurance Distribution Accelerator

Reimagine distribution with pre-built accelerators and connectors, enabling smart workflows and driving growth across all channels.

Neutrinos' Digital Distribution Accelerators enable you to build reimagined insurance sales processes for carriers, MGAs, and agencies on our intelligent automation platform. By digitizing eApp forms, rate-quote-bind workflows, delivering predictive analytics, and enhancing agent and policyholder experiences with product recommendations, our platform empowers you to build modern experiences and smart workflows. Slash cycle times, boost placement rates, and drive premium growth across all distribution channels.

Elevate Your New Business & Distribution Capabilities

Accelerate The New Business & Sales Cycles

Improve Broker and Customer Experiences

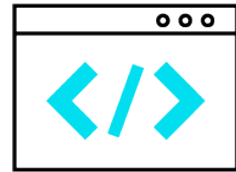

Optimize Conversion and Placement Rates

Streamlined Sales Processes

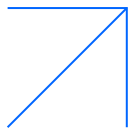

- ✦ **Omnichannel Integration:** Seamlessly connect broker, MGA, and D2C channels for consistent, personalized customer journeys.
- ✦ **Modern e-Application:** Enable digital application processes with embedded data validation tools to minimize NIGOs, for end-to-end digital or advisor-assisted submissions.
- ✦ **Quoting & AI-Powered Needs Analysis:** Guide brokers and customers to optimal product recommendations based on individual profiles.
- ✦ **360° Advisor Dashboard:** Provide a comprehensive view of customer progress, from prospect to policyholder.
- ✦ **Funnel Management:** Easily identify customer drop-offs, enabling targeted follow-ups and personalized outreach to recapture and convert leads.

What Neutrinos' Customers Say

"Neutrinos truly understood our core business. I appreciate the flexibility Neutrinos' low code development solution provided... and the team was one of the best I have worked with." – Jennifer Dunn, Director of Operations and Innovation, Woligo
